#### **3.2. Confidentiality**

All concerns will be treated in confidence and every effort will be made not to reveal your identity if that is your wish. If disciplinary or other proceedings follow the investigation, it may not be possible to take action as a result of your disclosure without your help, so you may be asked to come forward as a witness. If you agree to this, you will be offered advice and support.

#### **3.3. Anonymous Allegations**

This Policy encourages you to put your name to your allegation whenever possible. If you do not tell us who you are it will be much more difficult for us to protect your position or to give you feedback.

Concerns expressed anonymously are much less powerful but they may be considered depending on;

- The seriousness of the issue raised
- The credibility of the concern, and
- The likelihood of confirming the allegation from other source

#### **3.4. Untrue Allegations**

If you make an allegation in good faith and reasonably believing it to be true, but it is not confirmed by the investigation, the Company will recognize your concern and you have nothing to fear. If, however, you make an allegation frivolously,

maliciously, or for personal gain, appropriate action that could include disciplinary action, may be taken.
